AES is proud to introduce our Love to Learn Preschool Teachers, Mrs. Sandra Arellano and Mrs. Ann Provenzale. This Dynamic Duo has much experience working with children. Together, their years of service and dedication to preschool students spans close to 50 years!

Mrs. Arellano (Ms. Sandy), has served students in TVUSD through federal programs such as Head Start, Even Start Family Literacy, as well as California's State Preschool Program and the First Five Preschool For All Program. She brings over 25 years of experience in early education and was a pioneer in opening our very first Love to Learn Preschool in Temecula at Alamos. We are fortunate to have Ms. Sandy on our team!

Mrs. Ann Provenzale (Ms. Ann), comes to AES with a wealth of knowledge and experience working with the littles. She holds a degree in Education with an emphasis in Child Development. She has extensive training in early literacy, social-emotional learning curriculum and classroom management. Ms. Ann enjoys supporting all learning levels and has experience working with students with disabilities. We were lucky to bring her talents to our Love to Learn Preschool Team!

Our dynamic duo can often be seen working and planning together. Their collaborative approach and synergetic energy greatly enhances our preschool program!
