- B. Approval of minutes-** The minutes from 5/16 were approved by the members. Tammy Iverson motioned and Darlene Dormanen seconded and the motion was carried.

II. **New Business: Agenda Items**

A. Roles and Responsibilities Training- The TVUSD SSC training presentation was given by Erin Nielsen. This is a required training and it has to be the same at every school. The training was completed thoroughly and the members were given the overview and roles of all members. Erin Nielsen explained the SPSA, LCAP, Comprehensive School Safety Plan, and FPM all looked at by the School Site Council. Erin reviewed the election process and who could be on the board. Erin Nielsen informed the board that we always include all the other groups that give input and advise the group. She discussed ELAC. We facilitate the cross stakeholder discussions. Training was completed.

B. Input and Approval of 2022-2023 SSC Bylaws- Bylaws were revised in 2020. We had determined that we did not need to review and revise them again. Erin Nielsen indicated that she will send out the current Bylaws to the members.

C. SPSA Addendum (*if needed)- Not at this time.

D. LCAP Site Allocation - The LCAP is just shy of \$13,000 (actual \$12,932). The district goals were discussed with the members. Refine, Respond, and Reach out.

- ❖ **Data Analysis**- we will get updated CBEDS data soon and it could change the amount of money by a little bit. We will get more demographic information on our students attending.
- ❖ **Input**- Erin Nielsen asked the school leadership team and did not get any direct input. She indicated that she will be putting the amount of money and the ideas out to the school community in order to get more input.
- ❖ **Prioritized List/Approval**- Erin Nielsen reviewed the site allocation prioritized list from last year. Erin Nielsen asked the members if there was input they would like to give for the prioritized list.
- ❖ Brittini Rowland indicated that she liked Generation Genius to engage students in science - supplemental to science curriculum
- ❖ Second grade uses BrainPop a lot.
- ❖ Reading specialist and grade level intervention support is critical for support. First Grade Teacher, Darlene Dormanen.
- ❖ Abby Diaquila - Asked if room 11 was going to be turned into a makerspace or STEAM lab for students. It was discussed that yes, we are in the process of making the room available for teachers to use with students.
- ❖ Carrie Mizer - indicated it would be a good idea to purchase various building materials for STEAM for room 11.
- ❖ STEAM lesson plans or things ready for teachers to learn.

Erin Nielsen indicated that she will send out a survey to see if there are other ideas and items that would like to add to the list.
