PE Teacher Kim Findley

Hello my name is Kim Findley. I am in my 24th year of teaching PE. I taught 19 years in middle school, and this is my 5th year teaching at the elementary level. In college I played softball and volleyball. I enjoy singing, going to the gym and boating at the river. I really enjoy teaching and helping PE students understand that with practice and determination they can do anything they put their mind to. I feel that the most important thing is that the students leave PE feeling that they did their best and had FUN!
