

# Alamos Junior Ambassadors

## Did You Know?

Alamos is home to the AES Junior Ambassador Leadership Program! This amazing program is a group of exemplary 5th-grade students that are committed to the BUILD-ing of our school community. Our Junior Ambassadors are our meeters and greeters and our official campus tour guides for guests visiting our school. Our Ambassadors BUILD bridges to connect our students with community service needs and projects locally and globally. The AES Ambassadors lead our Friday Flag Salute Assemblies, host special school events, and BUILD activities that promote compassion, kindness, and respect!

Be on the lookout for these young movers and shakers! Under the direction of our School Principal, Mrs. Aynesworth, Our Ambassadors are leading here, there, and everywhere! Sportin' our school colors and wearing their best smile, our Ambassadors can't wait to welcome you to AES!

2022-23  
Ambassador Team

AES Let us BUILD them up!
