# Join Our Team!

We'd love to have you apply for a job at our school!

Very often, our community members ask about the possibility of volunteering or working with some of our students. These are parents, family members, or just neighborhood community members that want to be involved in doing something positive for our children.

The benefits of joining our school staff include:

- A positive and rewarding experience
- Meet and work with an amazing group of people
- Make a difference on a daily basis
- Get to work with your own community children
- Love what you do and get paid for it

At Nicolas Valley the following positions are available as of the date above:

Crossing Guard

Instructional Assistant III

ABIA's

Noon Duty

If you are interested, please go to our Temecula Valley Unified School District Edjoin website by visiting [www.edjoin.org/tvusd](http://www.edjoin.org/tvusd). You can find information about the above positions, including job descriptions and salary.

Also, feel free to contact our school principal if you have any questions or need some guidance about the application process. We'd love to have you join our team.
