Phone: 951-699-8138

June 30th, 2020

Welcome back Defenders! We hope you are having a wonderful summer break and are staying safe. It's never too early to start thinking about the new school year. To prevent long lines during registration, we are encouraging you to order your PE Clothes, Yearbook and School Spirit supplies online. All you need to do is go to the DMS Defenders **ONLINE STORE and purchase your items online**. The DMS Web Store is located on the DMS website. All items ordered prior to July 31st, 2020 will be prepackaged with your student's name for easy pick-up during registration.

For the 2020-2021 school year, DMS Defenders theme will be "Defender Strong". We know this amazing theme will inspire and unify all our DMS Defender community considering the events of 2020 so far. You will see this theme throughout campus, on spiritwear, in classrooms and events throughout the school year.

We are offering 2 Spirit Packs this year during registration. The packs include the new DMS 2020-2021 Spirit shirt, TVUSD Middle Schools Community Discount Card, hand sanitizer w/carabiner (for easy attachment to backpacks), DMS ASB Spirit Membership, & a neck gaiter/headband/facemask. A DMS 2020-2021 Yearbook is also offered in addition in the second package. **We are limited to the first 300 orders.** Starting August 1st, the Spirit Packs are only available in person until August 31, 2020 (**includes** DMS registration dates). After this date, all items will be sold ala carte.

If you don't have an online account with the DMS Web Store yet, just go to <https://DMSWebstore.myschoolcentral.com> and register for an account. You will need your student's ID number to register. This identification number can be found on your student's Infinite Campus profile under the heading "Student Number."

If you forgot your username & password from last year, your username is the original email you used to sign-up on ASB Works last year. From that point you can reset your password once you are in the webstore. If you continue to have difficulties, please email one of the ASB Middle School Bookkeepers for assistance: edixon@tvusd.us -or- tchandler@tvusd.us

After you have registered and logged in, you may purchase any of the items available on the DMS Defender Online Store. Print off your receipt and bring it to DMS ASB Spirit table in the MPR during registration to pick up your items. If you are unable to pick up your items during registration, just bring in your receipt to Room #515 before school any day during the 1st week of school to pick up your items. All items ordered after the 1st week of school will need to be picked up in the ASB Room #515 before or after school.

Sincerely,

DMS ASB
