VOL. I

AUG. 2021

Hello and welcome to literacy. I'm thrilled to be working with your child this year. My name is Vicky Moore and I am entering my 28<sup>th</sup> year of being an educator. This is my 3<sup>rd</sup> year in this role as Literacy Specialist as well as being here at AES.

I will be hosting an introduction to Literacy parent night in September and would love to see you there. If I will be working with your child this year it will be a great place to get answers to any questions you may have about the program we offer.

I look forward to 'BUILD'ing your child up not only in literacy but building their bucket full of love, encouragement and confidence as we navigate the transition back to school after the last 18 months we've had together.
