**(PAGE 1 AND 2 MUST BE COMPLETED FOR SELF-ADMINISTERED MEDICATION)**

Name of Student	Date of Birth	Grade	School
-----------------	---------------	-------	--------

In order for your child to carry a self-administered emergency medication on his/her person, the following must be understood and agreed upon by the student and parents: The student may utilize the prescribed self-administered medication as needed and directed by his/her physician. The Doctor's signature indicates the student has been instructed on the proper use of the prescribed medication. The medication must be properly labeled with the student's name. **Both the Authorization for Prescribed Medication form and this Protocol** must be signed by the parent/guardian and placed on file at the school prior to your child carrying a self-administered medication on his/her person.

**Inhaler:** NO DIRECT MONITORING will be conducted by the school staff. The student is responsible for self-administration of the inhaler. If the student continues having difficulty breathing, he/she should report to the health office and the parents will be notified by the appropriate school staff.

**Self-administered emergency epinephrine:** NO DIRECT MONITORING will be conducted by the school staff. The student is responsible for notifying school staff in the event he/she had the need to self-administer the emergency medication.

- It is the parents' responsibility to immediately notify the school if the child's health status changes, or when a change in physician and/or medication occurs. Changes in procedure must be received in writing from the physician authorizing treatment.
- The district is not responsible for any risk involved with improper handling of this medication including: overuse, improper administration, breakage, theft, loss, sharing, playing with or careless storage of the medication.
- Re-evaluation of the present protocol may be needed if the student is found to display behavior that increases the safety risks of him/her self or the students on campus.
