

2022-23 TLES STUDENT COUNCIL

Student Council is a group of students from 4th and 5th grade, selected to represent their classes through an application process. Twice a month, representatives meet to conduct a variety of business concerning Temecula Luiseño Elementary, Student Council, and the community.

Student Council also sponsors School Spirit Days. Everyone enjoys school spirit days, and it's a wonderful opportunity for students to show their School Spirit.

Lastly, the Student Council plans and executes several Community Service Projects throughout the school year. We look forward to supporting our school and community!
