

WELCOME TO Ysabel Barnett Elementary School (BES)

Daily Required Health Screening and Protocols and Procedures for Limiting Exposure

Effective Tuesday, April 6, 2021

To ensure the health and safety of our students, staff, and visitors, all persons entering our campus are expected to adhere to the following protocols.

- Students and staff should complete the daily health screening via the email they receive every morning before coming to school or reporting to their work location. If you did not, please use the QR code below.
- Face Coverings Are Required.
- Social distancing is Required.

Required Daily Health Screening for ALL Students, Staff, and Visitors Before Entering Our Campus

ALL CAMPUS Staff and Students: *If you did not complete your daily health screening at home prior to coming to campus, please scan the QR code to the right. You only need to complete the daily health screening once per day.*

ALL Itinerant or Roving TVUSD Staff:

If you are a TVUSD itinerant/roving employee who travels to different sites/departments please scan the QR code before entering. You will need to check in with the QR code every time you access a new campus or department. You only have to complete the health screening once. The QR code will automatically take you to a check-in form and bypass the health screening if you have already done it for the day.

ALL VISITORS:

All visitors are required to check in and complete the health screening before entering our campus. Please scan the QR code to the right and follow the instructions below.

How to access the QR code

Step 1: Open the Camera on your phone.

Step 2: Hold your phone over the QR code to the right and wait for it to capture.

Step 3: Open the form in your browser.

Step 4: Complete the quick form.
