

Physical Education Grading Policy 7th & 8th Grade

Each student is required to participate in Physical Education class. Students are required to meet the minimum state standard of 400 minutes every ten days of class. Each day is considered an assignment of participation.

1. Students are graded on a 10 point per day system. Every 10 days grades are due, 10 points per day x 10 days = 100 points. (2 points for being on time & on roll number, 3 points for proper dress, 5 points for participation).
2. Final grade percentage: 60% activity, 30% fitness test, 10% written assignments
3. If a student is absent from school, the student is responsible for making up the 10 points for that day. Make up work can be found on my website for ACTIVITY DAYS. One essay will replace 2 days missed of class. Mr. Bonaventura may also assign a chapter in the PE text book 'Looking Good, feeling Good' as an alternate make up assignment. *FITNESS DAYS are made up by completing a fitness assignment.*
4. If a student has a medical excuse from a doctor, that student will be assigned to the library for PE work, also found on my website or district issued PE text book. The library assignments will replace that day's activity. A student may also have a note form a parent for up to 3 days to be excused from class BUT the missed assignments MUST be made up.
5. If a student does not have a medical note from a doctor but needs to go the library because they don't feel well or cannot participate that day, the student is responsible to make up the points by extra credit assignments found on my website or fitness activity.
6. EXTRA CREDIT assignments can be found on my web site and are self-explanatory.
7. EXTRA CREDIT fitness days are determined by the teacher, when the class is on the track. Each student has the option to walk, run or jog the track for the class period. Each lap that a student completes is worth 1 point of extra credit. These points can be used to make up a fitness day missed. Student must communicate with me prior to the activity.

8. If a student chooses to **“NOT PARTICIPATE”** for any day of class, even if they change for class they will lose the 5 points and **these CANNOT be made up by writing assignments.**

9. **Dress Requirements for PE:** Each student is required to change into PE clothing (cloths other than what was worn to school). The school does have school logo PE cloths for sale and can be bought through the ASB. A student may choose to purchase clothing outside of school, the SHORTS must be black and free of any logos or graphics, the TEE SHIRT must be gray and free of any logos or graphics. Appropriate athletic shoes must be worn, no boots, sandals, slippers or hard sole shoes. COLD WEATHER (sweats) clothing can be purchased through ASB or again above rules apply (black or gray with no zippers, logos or graphics). School PE policy “NO leggings.”

10. **Loaner/NON-SUIT POLICY:** All students are required to dress out for PE; failure to do so is a violation of PE policy and will result in discipline. The school does supply freshly clean laundered PE cloths for those students that are unprepared for class. The non-suit discipline is progressive as follows (with the use of loaners). Students choosing not to change or use loaners will not participate and lose 8 points for each day.
 1. 1st nonsuit warning and no consequences.
 2. 2nd nonsuit warning and no consequences.
 3. 3rd nonsuit student will lose 3 daily points.
 4. 4th nonsuit student loses 3 daily points, parent is notified & lunch detention
 5. 5th nonsuit student will lose 3 daily points, parent is notified and detention is given along with office referral.
 6. All nonsuits after #5 will result in the same consequences as step 5.

Lockers: Students will be issued a PE school locker in the locker room for their convenience. The locker is for PE class only. Locks will be provided. Lost locks will be replaced at a \$5.00 charge.

If you have any questions, please feel free to email me and I will promptly reply.

Thank you for your understanding.

Mr. Bonaventura

Name of student: _____

PE Period _____

Are there any medical conditions that I should be aware of that may need monitoring during Physical Education class?

1. _____

2. _____

3. _____

Parent contact information in case of emergency:

Name _____

Contact information: _____

I have read the PE syllabus and understand the grading policy and PE dress code policy.
