

MEET THE TEACHER!

Miss Newbry

THE BASICS!

Hi! My Name is MacKenzie Newbry. I enjoy traveling, spending time with friends and family, visiting Disneyland and volunteering. Music is very important to me and has always played a large role in my learning. I will be your child's 3rd grade teacher for the 2019-2020 school year! This will be my 7th year teaching and my fourth year at Alamos Elementary. I am excited to get to know your child and help them reach success this school year.

MY FAMILY

I grew up in Orange County with my small family of 4. I am the oldest of two girls and still love visiting whenever I can. After spending 7 years living in Northern California to complete my schooling and begin my career, I am thankful to be back close by. My family has grown over the past few years with the adoption of my first dog, Oliver, in November 2016. Last summer we added to our small family when I adopted Olivia Jane.
