

CHSEF Banner Sponsorship Program

The CHSEF Banner Sponsorship Program offers you an opportunity to advertise your business and the products & services you provide, displayed on a large format full color banner. We have three locations at CHS where your banner can be installed.

- The Baseball/Softball field on the Winchester Road/State Hwy 79 fence line which generates over 80,000 daily visual impressions, 365 days per year (according to California Department of Transportation). A similar sized billboard posted along State Hwy 79 would cost over \$25,000 per year, making the CHSEF banners extremely cost effective for your business.
- The CHS Stadium and CHS Gymnasium which generates over 50,000 visual impressions collectively from CHS Students, Athletes, and parents/relatives from in and out of the Temecula area who attend various major events throughout the school year.

The banner is posted for 12 consecutive months, professionally produced using a high-resolution digital printing process and installed to ensure they are displayed safely and securely.
